Notes :	<p>* Means the number will be definitely smaller than this, perhaps much smaller.</p> <p># Means comparison work for duplicate elimination is in progress.</p> <p>\$ Means there are no solutions for this algorithm.</p> <p>When there is no symbol in column D or H (painted Yellow), the corresponding number in (previous) column C or G respectively shows confirmed number of original solutions in that algorithm (which may be zero also).</p>
